

Vocabulary Class Outline

Teacher will go around reading sentences that were done for homework. She will put a stamp on each of them- every 8 weeks if you have 8 papers of sentences with stamps you get to choose a sheet of stickers for yourself.

Also she will put a stamp on the notes written down from the previous week- every 8 weeks if you have 8 papers of class notes with stamps you will choose a sheet of stickers for yourself. (if you miss a week you can get the notes from a neighbor)

Class Notes- copy these - completing the work together as a class once you have the sentences written down.

Review- take your notes out from the previous week for review- the review section does not need to be copied again.

Introduce New Spelling Words start spelling worksheets -finish at home.

Vocabulary Game

Use 3-5 words from the game in complete sentences- create together as a class- then go over the parts of speech.

Homework use new spelling words in complete sentences. (These are also your vocabulary words)

Worksheets in your grammar booklet are to be done throughout the year not the semester!! This is a two semester class!

Parents have the answer keys- so they can help guide you at home, correcting and going over mistakes with you.

We will go over throughout the year.
